

# WE ARE MOVING!!!

Jammin' Music Studios will be moving to our new location at the end of this month and will begin teaching our lessons at the new location on **Monday, April 1<sup>st</sup>**. The new location is about an 8 minute drive from our current location and only two freeway exits away (5.5 miles driving distance). You will find directions below as well as two "alternate" routes in case you 1) run into traffic on the I-5 to Highway 101 interchange around the time state workers get off or, 2) the Cooper Pt. Rd. exit is backed up with students going to the College. If you have any questions or need to look at a different time slot because of the move, we will do our very best to make it work for you. We are very excited about this new location, and we are sure you will be too once you get a chance to see it.

**Our new location is at 2510 RW Johnson Blvd SW, Olympia, WA. 98512**

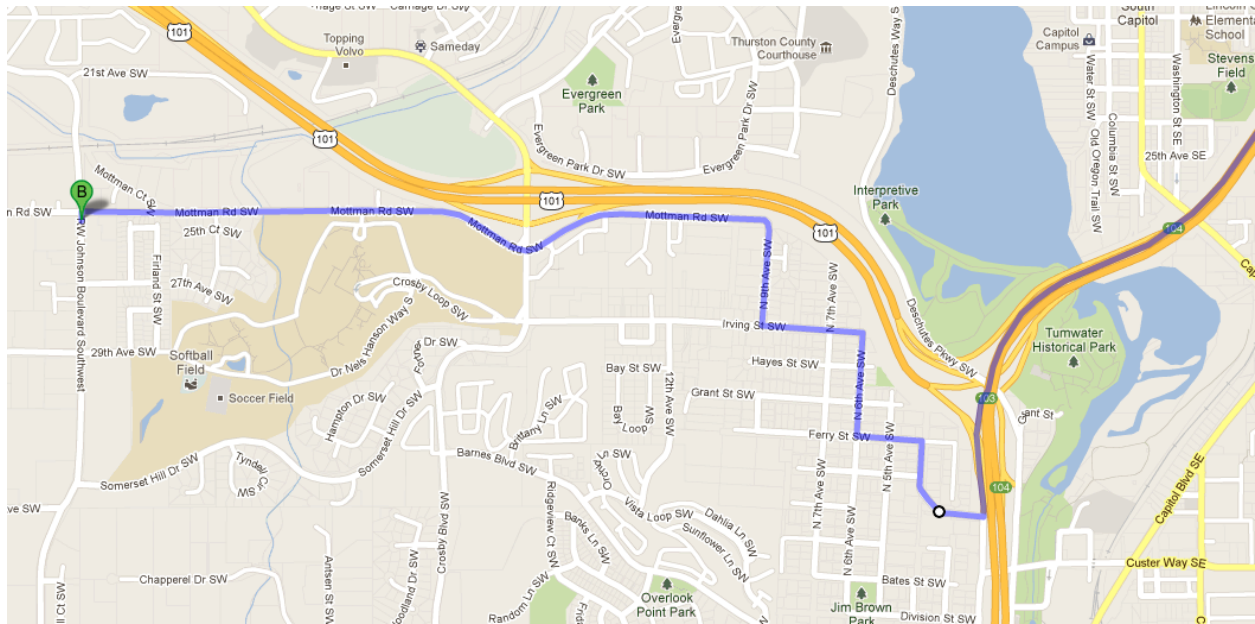

## Directions

- Take I-5 South at Pacific Ave
- Take Exit 104 to merge on US-101 North.
- Take the Cooper Point Rd. exit and stay to the left
- At the end of off ramp turn left onto Decatur St. SW
- Get into the right lane.
- Take your next right on to Mottman Rd. SW.
- Follow Mottman past SPSCC until you ALMOST reach the stop sign.
- You will see a sign for Olympia Physical Therapy on the left. Turn left into that parking lot (Mottman Plaza). We are in the building on the corner of the intersection of Mottman Rd and RW Johnson Blvd. Address is 2510 RW Johnson Blvd SW, Olympia, WA 98512

## Option 1

1. If traffic is backed up at the Highway 101 Interchange, you may want to continue South on I-5 and take the NEXT EXIT off of I-5, EXIT 103 for 2<sup>nd</sup> Avenue. The exit is immediately after the HWY 101 interchange. This is only 3 minutes more and you will avoid all the state worker traffic. At the top of the off ramp you will need to merge into the right lane quickly so you can turn right at the stop sign.
